CENSUS

1920

UNITED STATES
DEPARTMENT OF THE INTERIOR

Census.

INDIAN FIELD SERVICE

Pueblo Bonito Agency,
Crown Point, New Mexico,
September 25, 1926.

The Commissioner of Indian Affairs,
Washington, D. C.

Dear Sir:

This will acknowledge receipt of Office card dated the 21st instant, requesting that the 1926 Census be forwarded at once.

7m 20/25

In reply, will state that it has been utterly impossible to complete corrected census up to date. However, there is enclosed herewith such census covering the work so far completed. With our Navajos of this jurisdiction scattered over the entire southwest, it has been a very slow, tedious work to obtain correct data upon which to base a new census. However, the work is going on and we are daily picking up individuals, families and endeavoring to the best of our ability to have same completed. It is very doubtful whether this work will be completed within another year.

Very respectfully,

S F Slaches

Superintendent.
